17th November 2023

## Things to note:

**Can children please remember to play on TTRS, Mathletics and read 5 times a week.**

## This week:

We have had a fantastic week with our interfaith day, our antibullying week as well as our school trip. It has been a very busy week.

The children absolutely loved the trip and it was wonderful to see them discussing their learning about space, forces and DT in a real life context.

Have a look at some of our wonderful photos from the day.

We loved it!
