

Over the past two weeks in crystal class, we have been very busy bees! We have started to learn our harvest song ready for harvest festival and the children sound great. In Maths, we are currently looking at place value. Learning to count to 1000 in different ways, learning the value of numbers and how to split numbers in different ways. In English, we have been looking at expanded noun phrases simple sentence building and commas in a list. We have been reading George's Marvellous medicine and completing our English learning around this story. We have been practicing our handwriting and spelling every day. In geography, the children have been looking at Yate, Wickwar and Cardiff in order to compare towns, villages and cities. We have also been looking at year 2 spelling. I am currently testing the children each day on the year 2 words and then the ones they are still struggling with will be sent home Friday.

This year it has been decided that Christmas cards will be sent home for the children to design themselves. Please follow the instructions given to you by friends of AH if you wish to create your own cards this year.

Kind regards, Miss Hurford.

Key dates/notices coming up:

. 1st October - Harvest festival, please bring a food donation.

2nd October - Photo day (individual and sibling)

Coming up next week
Learning focused

Place value

Whenever the children are writing at home, encourage joined handwriting and neat and tidy presentation.

Way to support at home (home learning)

How many different ways can you partition ?

How many hundreds, tens and ones in ?

Reading 5x weekly out loud, TTRS
