

Amethyst Class Newsletter

Our learning this week...

How are other countries ruled?

The children have been busy researching a different country to compare and contrast with the U.K. They have been looking at their political organisation, wealth, education systems, health care and many other aspects of life in different countries.

Testing

We have had a week of SATs testing so I can assess where the children are and identify what gaps individuals have. This means I use this information to plan the next stage in learning. The children have had a good attitude towards the tests and most are where I would expect them to be at this stage of the year. I have ordered the SATs buster home learning books so they will soon be able to develop skills at home too!
