Crystal Class Newsletter

Welcome back! We have had a great start to the new term with the children stepping back in time to the Stone Age and Iron Age periods.

Our project launch day enabled the children to immerse themselves in our new history topic. They had the opportunity to build part of a round house, use hand carders to separate and weave wool, try on traditional Stone Age and Iron Age clothes, use two different types of grinding stone to make flour and hear some amazing facts about the Stone Age and Iron Age periods. Here are some pictures to enjoy...

In maths, we are continuing with measure and perimeter. In English, we are exploring the characters and setting from the text 'Stone Age Boy' and in science we are investigating rocks.

For your information

PE this term will take place on Tuesdays and Fridays.

Please continue to read with your child (x5 in a week) and sign/initial to say you have read with them.
