

Crystal Class News

8th December 2017

Welcome to Crystal Class Newsletter:

As we are fast approaching the end of term, I can almost hear Santa's sleigh bells! The children have officially finished their performances and we managed to raise a lot of money (over £130) from the Christmas Fayre. Thank you all for buying your children's treats. I know they have worked incredibly hard to create everything which was sold on our stall. The children will now have a chance to decide how we should spend our hard earned money.

This Week

Our Christmas performance... Lights, Camel, Action!

The children also had a wonderful time at the Theatre, watching 'The Wizard of Oz'. It was wonderful to see all their faces light up throughout the amazing performance.

I'm amazed at how many brave children we have.
