

7<sup>th</sup> June 2019

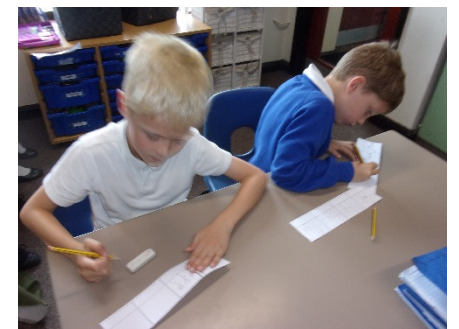

# Crystal Class Newsletter

Welcome back after the holidays - I hope you all had a relaxing break. It was nice to see the children looking refreshed and ready to learn.

In maths we have continued our learning on time. We have looked at 24 hour and 12 hour times, telling the time using Roman numerals and estimating durations of time. Next week we are hoping to move on to shape.

In English, we have been looking at how some books are structured in different ways and for a range of different purposes, such as comic strips and cartoons. The children have enjoyed creating their own comic strips in the style of a Greek myth and turning them into a piece of drama.

In art, the children have been learning about the artist William Morris and pattern.

## For your information

PE this term will take place on Tuesdays and Fridays.

Home Learning due in on Monday 17<sup>th</sup> June.

Tuesday 25<sup>th</sup> June - Crystal Class school trip to UWE - Exploring Science. Please return permission slips if you haven't already done so - thank you.

Please continue to read with your child (x5 in a week) and sign/initial to say you have read with them - thank you.
