

Crystal

Welcome back to term 4! We started our new English book, *Leo and the Gorgon's curse*. The children then roleplayed the story line of the book to help them remember. There are some brilliant actors and actresses in crystal class! We have moved onto our new multiplication and division topic to recover what we already know about multiplication and division as well as making links. We also started to look at our new artist Henry Matisse as well as starting our history by looking at the day in the life of an Ancient Greek. We are doing all things Greek now, even looking at Greek dance to Zorba the Great in PE.

There are lots of events coming up, here are some important dates:

5th March- World Book Day.

18th March- Possible drumming performance (Communication when confirmed with drumming teacher. I believe this will be toward the end of the day around 3pm.)

19th March- We the Curious trip

23rd-27th Year 3 swimming afternoons.

Coming up next week Learning focused	Way to support at home (home learning)
English – mythical creature creation and own battle narrative Maths- Multiplication and division Art- Creating collages	Times tables and divisions! Nature hunting and looking for small signs of spring (if the weather allows!) Create some collages using different materials
