

Crystal

This week has gone by so quickly after our amazing trip to see The Lion, The Witch and the wardrobe. They were brilliant, especially after it being such a long day. I hope they all enjoyed the performance. We also had a visitor from our local church this week, Reverend Catherine. She talked us through the Holy Communion, the children loved getting involved and learning about the service!

We have been looking at place value, partitioning numbers in different ways and comparing numbers to 1000 in maths this week. The children have also blown me away with their excellent step counting in 3's and 4's! They even got to show Mrs Brooks their amazing counting!

The children finished writing their Non chronological reports and Roald Dahl and we have moved on to a lovely, moving story called The Invisible. It is all about having to make a change due to something out of the girl's control, how it made her feel and what she had to do to take back control of the situation she was experiencing. We are working hard on our handwriting and presentation to make sure our work is looking smart and tidy.

In art, we learned how to draw faces and expression in the style of Quentin Blake and completed an artist copy. They had great fun!

Key dates/notices coming up:

Reading records in on Fridays

Mathletics, TTRS and spellings to be done by Fridays. X table and spelling tested every Friday.

Coming up next week Learning focused

Writing in past tense, sentence structure using conjunctions.

Writing numerals in written word
Addition and subtraction with 2 digit numbers in column method this will move into three digit numbers the following week.

Way to support at home (home learning)

Discuss ways sentences can be joined together (and, because, as, so etc..)

Practice adding and subtracting numbers using column method or drawing tens and ones
