

Crystal Class News

5th January 2018

Welcome to Crystal Class Newsletter:

Welcome back – I hope you have all had a wonderful Christmas. Despite coming back so early, we are settling into term 3. Swimming will start again next Tuesday so could we please have all swimming kits in for next Tuesday. Spellings times tables will be set and sent home and we hope to get back into full swing with this now the Christmas madness has gone.

This Week:

We have introduced our new project where the children will be time travellers looking to see if we can answer our project question 'Can we turn back time?'

We kickstarted the new project with our Wow day, where the children spent the day as archaeologists. It is amazing to see what artifacts we uncovered.

The children loved digging, cleaning and studying the different artifacts.
