

Crystal

We've had a great first week in Crystal class with the children seeming to settle back into school quickly. It has been lovely getting to know the children and even welcome some new children to our class! We had our **wow day** on Thursday for our new project 'Will it be a good mix?' where we enjoyed sharing the first and second chapter of our key book *George's Marvellous Medicine*. We then had the task of creating our own marvellous mixtures (fruit smoothies!) in teams. In **Maths** we have started learning about place value by introducing hundreds as well as recapping our tens and ones. We will be looking at partitioning them next week! In **English** we are looking at non chronological reports and are researching Roald Dahl. In **Art** we enjoyed looking at Quentin Blake's work and had a go at drawing some of his illustrations.

Spelling books and reading records are checked every Friday. Please have reading records in everyday in case we read with your child.

Mathletics home learning is set each Friday to be completed by the following Friday.

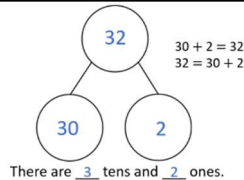

TTRS is to be completed weekly and I like to try and aim for every child to do 5 minutes a day.

Have a lovely weekend. Miss Hurford.

Coming up next week Learning focused

Place value – partitioning 2 and 3 digit numbers

Non chronological reports – writing about Roald Dahl

Way to support at home (home learning)

Check knowledge on what makes a two digit and three digit, hundreds tens and ones.

Research Roald Dahl and create some sentences.

Key dates/notices coming up:

September 12th Parent meet and greet with class teacher.

September 17th we have our school trip to the Bristol Hippodrome!
