**Music:** Composing our own music for the summer solstice celebration.

**MFL:** reading, writing and say different body parts and animals.

## Where does it start?

In Term 3 & 4, we will be using the following text: Stig of the dump by Clive King, Stone-Age Boy by Satoshi Kitamura and The Pebble in my pocket: A History of Our Earth by Meredith Hooper and Chris Coady.

To immerse our class through Terms 3 and 4 we will have the following learning environment:

Quiet cave enclosures. Floor spaces, small tables, sofas.

The classroom will look like a Stone Age – Iron Age settlement close to the coast where the children will find a coast line and pebbles.

Tools to help with learning: maps of Europe and atlases, books relating to the Stone Age, Bronze Age and Iron Age, Rocks and books on Rock formations, Time Lines, artefacts, cave art and further resources support English, Maths and non-core subjects.

<p><b>Project One:</b> How did you get there?</p> <p>Timeline and an explanation text of how different rocks and fossils.</p>	<p><b>Project Two:</b> How are rocks used in art?</p> <p>Rock art and cave art presentations.</p>	<p><b>Project Three:</b> Why are you living there? Settlements in the UK and why (looking at soils, rocks and other physical features). Local History and settlements. Create programmed maps.</p>	<p><b>Project Four:</b> How have rocks helped? Looking at tools and daily life of people from the Stone – Age to Iron Age and how tools etc. evolved. Create own tools.</p>	<p><b>How are rocks used in religion and worship?</b> Investigate light and how sun gods are worshipped.
