

Maths

How did the Romans write their numbers?

Create a poster to explain how Roman Numerals were written and then design and make a game which will also help your classmates to remember them.

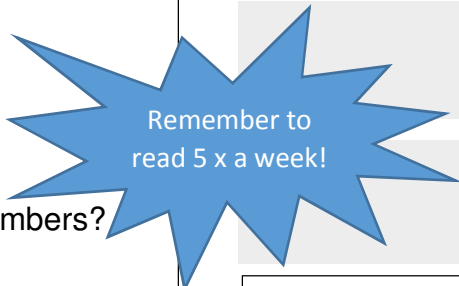

Why make a difference?

English

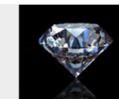

Write a story of no more than 500 words which you think will be enjoyed by children of your age. You can publish this either in your own handwriting or on the computer and add illustrations if you wish.

You will need to think of the plot, setting and main characters and of course, I will be looking for you to apply your grammar learning.

Home Learning Grid 2

Diamond Class

Term 2 – home learning due on **Wednesday 5th December 2018**

Science and Technology

How are animals adapted to living in a Rainforest?

Create an ICT presentation (maybe PowerPoint) to share with the class, which answers this question. Send your learning into school on a named memory stick.

The Arts Art & Music

Is it possible to make a tree decoration that is kind for the environment?

Make a Christmas tree decoration that is made entirely out of materials that are environmentally friendly. Remember to draw up a plan first!

The World RE, PHSE, PE and French

RE

Show the Christian story of Christmas through pictures in a comic style using speech bubbles too.

-  **Ruby** – being aware of others and how what you do or say, might make them feel
-  **Emerald** – bouncing back from mistakes and disappointment, and controlling your anger if it tries to get out!
-  **Sapphire** – keeping focused and staying in control of the monster distractions
-  **Diamond** – being able to notice a problem and thinking of ways to

Which gem powers have you used?

Tell your teacher about the home learning you have been doing.
