

11<sup>th</sup> February 2022

Tuesday was Safer Internet Day. We have been thinking about how to keep our personal information safe online and the possible dangers of oversharing. Giovanna Fletcher has made a great video sharing top tips on how to allow children to game safely online. It can be accessed here:

<https://www.bbc.com/ownit/the-basics/giovanna-fletchers-gaming-tips?collection=parents>

On Thursday morning, some engineering students came in to deliver a lesson using Minecraft. The design brief was to make an improvement to Bristol or Bath. The children had some very creative ideas and thoroughly enjoyed the session!

Have a lovely weekend
