

Home Learning Grid – Autumn Term 2019

Diamond Class

Is there magic in the air?

English:

Complete your weekly tasks

Spelling

Reading 5 x a week

Deadline for handing in: 16.10.19 and 21.12.19

Expectations

- Complete your weekly tasks.
- Be proud of your presentation.
- Challenge yourself.
- Ask an adult if you need help.
- Meet your deadlines (one each term)
- Choose any two from the boxes below.

Maths

Complete your weekly online tasks

Mathletics

Times Tables Rock Stars

Science and Technology

Task: Using Scratch or other similar computer program, create a Hogwarts/Harry Potter themed project. (e.g. you could produce a guided tour of Hogwarts, you could retell part of the story, you could design a Quidditch style game activity)

The Arts

Art, DT & Music

Task: Draw a detailed map of Hogwarts. This could be a bird's eye view like a floor plan or could have the buildings and rooms drawn in detail. You could do the inside and/or the outside of the castle. Use colour and label key areas (for example: forbidden forest, Hagrid's hut, Great Hall...)

For an extra challenge you could write a short description about one particular area.

The World

RE, PHSE, History, Geography & PE

Task: PE – Invent your own version of Quidditch that can be played by 'Muggles'. Create the rules, design the pitch and the balls that will be used. Keep it similar but be creative! You can draw the pitch, balls etc. and write out the rules as a guide for how the game can be played.

For an extra challenge you could create a short video to explain how the game works with demonstrations!
