

Maths

Look at the medal table for the Rio Olympic Games in 2016.

Using the total medals won by each country think of a way you could present this information.

Top tip: you can use the first 20 countries for this task.

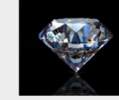

Extension – how could you show the total number of gold, silver and bronze medals were won?

Remember to read 5 x a week!

Home Learning Grid 6

Diamond Class

Term 6 – home learning due on **Thursday 12th July**

Who and what lives where?

English

Read the story of Pandora's Box.

Re- write it in your own words or you can do it through a storyboard and explain what you think the moral is to this tale.

Science and Technology

Using a computer programme of your choice – Choose a Greek Myth and use your computing skills to bring it to life.

Maybe you could use animation or Scratch?

The Arts Art & Music

Research Greek vase and pot designs. What did the pots show about everyday life and culture? Design your own pot..... could you make it too ?

The World RE, PHSE, PE and French

Create a timeline of important events in the history of Ancient Greece.

Tell your teacher about the home learning you have been doing.

• **Ruby** – being aware of others and how what you do or say, might make them feel

• **Emerald** – bouncing back from mistakes and disappointment, and controlling your anger if it tries to get out!

• **Sapphire** – keeping focused and staying in control of the monster distractions

• **Diamond** – being able to notice a problem and thinking of ways to

Which gem powers have you used?
