

# Diamond Class

14.02.20

It has been another couple of busy weeks with many additional learning opportunities. We had a martial arts session last Friday afternoon where we could practise some different moves using great teamwork; on Tuesday we had a number 8 maths morning where we explored different maths and cross curricular learning all around the number 8 and finally on Wednesday we took part in the Festival of Youth Dance at Abbeywood Community School. It was wonderful to see the confidence and enthusiasm shown by all the children who took part and the support given from those who did not perform in the evening.

## Spellings:

We have now completed all of the year 3 and 4 spelling words and there has been some excellent progress from the start of the year to now. Next term we will begin focusing on spelling patterns and rules from the year 4 National Curriculum.

## Reminders:

- Continue to practise times tables
- Read at least 5 x a week
- Athletics homework
