

Diamond Class Newsletter

This week, we have been learning about the slave trade and Bristol's role in it. We have been showing fantastic curiosity when discussing the appalling treatment of the slaves and asking excellent questions to find out more about the triangle of trade involving Britain, West Africa and the West Indies.

In geography, we have started to learn about the city of Bristol including exploring OS maps of both Wickwar and surrounding areas as well as the city centre of Bristol. It was great fun exploring the large maps and identifying the OS symbols.

Multiplication Check

There are only a few weeks left until the Y4 Multiplication Check. This week, we completed a final practise check on TTRS before trying out the Government check to see what it will look like. There are still some children who do not know all of the multiplication facts needed to be successful during the check. It is really important to practise as much as possible over the coming weeks to ensure they are as confident as they can be going into the test. This can be using TTRS or by testing themselves on facts whenever they have a few spare minutes.

Coming up - Learning	Way to support at home
<p>In maths, we will be converting between analogue and digital clocks and solving problems involving time.</p> <p>In English, we will be writing persuasive letters about replacing the statue of Edward Colston.</p>	<ul style="list-style-type: none"> - Read at least 5 times a week. - Mathletics - TTRS or other times tables practise. It is getting close the Multiplication Check so an extra focus on times tables is needed. - Spellings
