Our learning :

Computing :

The children have continued to write programmes using logo this week and hope to show these to each other in the coming days . Here is an example of the learning .

In English, the children have used peer critique to make improvement in their sentence structure. Here are a few pictures demonstrating how they like to learn collaboratively.

National speak up about mental health day- Time to Talk

In class we have looked at this video

https://www.youtube.com/watch?v=oz1S66_pYTw&feature=youtu.be

Following this, we had a discussion about small worries and large worries and who you could go to to help you to talk about them . The children shared many of their thoughts, feelings and experiences of times when they have been worried and how they resolved them .

Mrs Moncrieff
