

Diamond Class Newsletter

In science this week we were investigating melting, changing solids into liquids. We planned our own investigations and made observations so that we could draw conclusions about different melting points.

In English, we have been writing news reports about the discovery of Tutankhamun's tomb, using all the knowledge we've gained over the past few weeks.

Our topic learning this week focused on geography skills, using maps to trace the journey of the River Nile from source to mouth.

Dates for the diary:

- Thursday 26th March at 9:30 – Ukulele concert, followed by sharing of learning from this term's project.

Coming up next week - Learning	Way to support at home
<p>Next week in maths we will be rounding decimals to the nearest whole number and solving problems involving decimals using money and measures.</p> <p>In English, after finishing reading <i>The Ancient Egypt Sleepover</i>, we will start building skills of character description to support our story writing in the last weeks of term.</p>	<ul style="list-style-type: none"> • Read at least 5 times a week. Please ensure reading is recorded in the reading record books each week. • Mathletics • TTRS - regular practise is vitally important. In class we are currently working on the 7x table. • Spelling books will be sent home on Tuesdays this term with 6 words from the Y3/4 spelling list for children to practise. They'll be tested the following Tuesday. <p>This week's spellings are: heard, heart, height, history, imagine, increase.</p>
