Happy New Year!

We launch our project with our “WOW” day on Tuesday .The children had a wonderful time constructing and investigating how things work throughout the morning. It was wonderful to watch the children working collaboratively, solving problems and showing resilience and adaptability when things didn’t go quite to plan. Thank you also for sending in items for us to take apart, if you haven’t already done so, there is still time as we plan to weave this into our learning next week.

As the new term begins it is always useful to have a quick stock check of your child’s pencil case to ensure that they still have the equipment that you kindly supplied in September i.e. a working black rub out pen /refill is essential along with pencils etc. You may well be surprised to see how these have depleted .Thank you.

Our reading challenge is being launched again today (Friday 5th Jan) and your continued cooperation with this is invaluable .This term the children will earn “Time in the Tree” and be rewarded for reading at least 5 times a week . Each challenge will run for 4 weeks and children can bank time that they earn.

Spellings will be set and tested every Monday. Bug Club and Mathsletics every Tuesday, giving the children a week to complete set tasks .Next week we will be assessing the children’s progress and retention of spellings and timestables to date.
