Diamond Class Newsletter

On Tuesday, we had a PE session with a focus on inclusive sports, specifically boccia and curling. It was great fun and there were brilliant opportunities for excellent team work skills.

As part of our English this week, we have been learning about mummification in more detail and role playing mummifying each other. Next week, we will use this knowledge to write instruction texts about how to mummify.

In Maths we have been continuing our learning on fractions, finding fractions of amounts. Next week we will be looking at the relationship between fractions and decimals.

Home learning

- Read at least 5 times a week
- Mathletics
- TTRS or other times tables practise.
- Project home learning has been set on Google Classroom and shared with the children.
