

Diamond Class

We have had a fantastic first couple of weeks of the new school year, beginning our learning all around Harry Potter. We have been sorted into the four different Hogwarts houses: Gryffindor, Hufflepuff, Ravenclaw and Slytherin; designed and make our own magic wands and begun to learn about the History of Magic! All of this whilst also reading Harry Potter and the Philosopher's Stone, exploring place value in Maths and preparing to write newspaper reports in English.

Home learning:

- Please encourage your child to read at least 5 times a week and try to choose some books from the recommended reading list for Year 4 from Booksfortopics website.
- Mathematics homework – this will be set on Tuesdays and will begin from next week.
- Spellings – these will be sent home and tested on Fridays
- Times tables – as we have the Year 4 Multiplication Check this year, it is important that your child learns and practises their times tables. Times Tables Rockstars is a great resource for this but there are other websites that may be useful: <https://www.timestables.co.uk/multiplication-tables-check/>
<https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check>
