

Diamond Class Newsletter

We have continued to explore different parts of Ancient Egyptian life through dance. This week, we started to put together different elements to create whole routines to music.

In English this week we have been broadening our vocabulary by finding alternative words for overused verbs and adjectives. We have also been writing short action scenes, applying various grammar skills. In maths we have been dividing numbers, involving decimals, by 10 and 100.

In art we have been designing mosaics which will be placed on the top of the cardboard sarcophaguses we have been making in DT this term.

Key dates:

- We will be sharing our Ancient Egyptian learning prior to our Ukulele performance on Wednesday 27th March between 1:45 and 2:30pm.
- Ukulele performance – Wednesday 27th March at 2:30pm.
- It is Neurodiversity week from the 18th – 24th March. We will be learning more about and celebrating neurodiversity.

Coming up next week - Learning	Way to support at home
In Maths, we will be rounding decimals to the nearest whole and solving problems involving decimals.	Read at least 5 times a week
In English, we will be writing our stories based on The Ancient Egypt Sleepover which we have read in class.	Mathletics
	TTRS or other times tables practise.
	Project home learning has been set on Google Classroom.
