# Diamond Class Newsletter

We had a great start to our new project which focuses on the history and geography of Bristol, alongside our whole class reading book 'The Train to Impossible Places' which brings a fantasy, adventure aspect to the project. On Monday, to launch the topic, we explored street art and graffiti lettering, creating our own tags which we chucked on the playground.

We also looked at why people protest, specifically looking at the protest march through Bristol in 2020 when Edward Colston's statues was pulled down. We created placards to add to the classroom display with messages about a variety of issues.
