Diamond Class Newsletter

We have started a 10-week block of music lessons, learning the ukulele with Mr Davies from the Music Hub. Despite only having had two lessons so far, we have already learnt two chords and have been practising different songs.

We also had a lovely, musical morning at the church on Wednesday for our Harvest service. The children sang their song, 'Juicy Fruit' with great enthusiasm.

In Science this week, we also worked on our computing skills to create branching databases to sort various animals, applying what we have been learning on different animal groups and their characteristics.

Next week, we will be completing a practise, TTRS, multiplication check to get a baseline score to work from during the year.

Coming up next week - Learning	Way to support at home
<p data-bbox="193 1525 794 1637">Next week in maths we will be continuing to look at multiples of 6, 7, 9, 25 and 100.</p> <p data-bbox="193 1675 794 1794">In English, we will be looking at speech punctuation and character dialogue in preparation for writing our own stories.</p>	<p data-bbox="801 1525 1398 1637">Read at least 5 times a week. Please ensure reading is recorded in the reading record books each week.</p> <p data-bbox="801 1675 1398 1713">Mathletics</p> <p data-bbox="801 1751 1398 1944">TTRS – we will be learning our remaining times tables this year and as the Multiplication Check will take place in the summer, regular practise is vitally important.</p>
