

Diamond Class Newsletter

On Friday we had a visit from author Joseph Elliott who spoke to us about his books and his journey to becoming an author. We had a brilliant time listening to his funny stories and learning about the interesting characters from his book 'Nora and the Map of Mayhem'. He also signed copies of his books for some of the children.

It was wonderful to see so many of you at Sports' Day on Wednesday. We all had a great time scoring points in the field activities before taking to the track in the races.

On Wednesday afternoon, Ffion, Olivia, Eli and Elijah took part in the final of the Y4 Maths Challenge. It was an incredibly high-scoring final between 23 schools and scoring 189.5 out of 196 points, they came joint 4th place, just 0.5 points behind the 3rd place team! It was a wonderful experience and we are all very proud of them. It was lovely to see the rest of class showing support and encouragement for the team.

Multiplication Check

The Multiplication Check window opens on Monday 2nd June and we will be completing the check during this week. It is really important to practise as much as possible over the half term break to ensure they are as confident as they can be going into the test. This can be using TTRS or by testing themselves on facts whenever they have a few spare minutes.

Coming up - Learning	Way to support at home
In maths, we will be solving problems involving measures.	<ul style="list-style-type: none"> - Read at least 5 times a week. - Mathletics - TTRS or other times tables practise. - Spellings
In English, we will be writing a short story linked to the book 'A Hero Like Me'.	

Key dates:

- Multiplication Tables Check window opens – Monday 2nd June.
- KLB Science morning – Thursday 5th June. See email for more details.
- M Shed and Bristol trip – Friday 20th June.
