

Diamond Class Newsletter

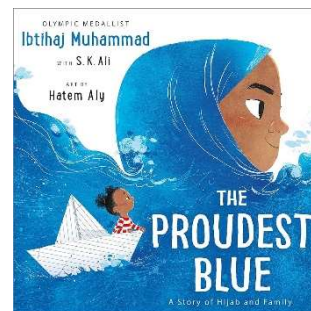

We have begun learning about the history of Bristol starting with John Cabot's discovery before moving on to look at Bristol's role in the Transatlantic Slave Trade which has shocked and fascinated.

In art, we have been looking at the work of Monet and experimenting with his style to create our own versions of his work. We will be starting to create a whole class piece based on images of Bristol in his style.

On Wednesday, we had a visit from Susannah from an organisation

called SARI (Stand Against Racism and Inequality) who lead a session on protected characteristics, discrimination and hate crimes. We looked at picture book called 'The Proudest Blue' and considered the thoughts and feelings of the characters.

Key dates:

- Sports day – Wednesday 22nd May
- KLB Science morning – Thursday 23rd May
- M Shed and Bristol walk trip – Friday 21st June.

Coming up next week - Learning	Way to support at home
<p>In Maths, we will be applying our understanding of multiplying and dividing by 10 and 100 to convert between units of measure.</p> <p>In English, we will be continuing to write our stories based in invented 'Impossible Places'.</p> <p>It is Science week and we will be completing some investigations as well as attending KLB for a Science morning.</p>	<p>Read at least 5 times a week. Please ensure reading is recorded in the reading record books each week.</p> <p>Mathletics – some children still have several outstanding pieces of home learning on mathletics.</p> <p>TTRS or other times tables practise. Practising on Soundcheck will support children in preparation for the Multiplication Tables Check.</p>
