

Opal Class News

Friday 6th June 2025

It's official... we are into our final term of year 5 and we are creeping towards the summer holidays. This week has been a little unsettled due to the year 6 being on their residential trip and we are missing Mrs Mason as she is with those year 6 children. Nevertheless, we have still cracked on with our learning and the children are sinking their teeth into their story-writing. Though we have only written the beginning, they are looking fantastic so far. In Maths, we have completed the year 5 Maths curriculum so we are now revisiting concepts that the children found more challenging, aiming to build their confidence in these areas, ready for year 6. We have continued to learn about ancient Rome, learning about their army.

Key dates coming up:

Every Wednesday – Cornet lessons

Each Friday – Jigsaw (learning about 'changes')

2nd July – Cornet concert for parents.

Coming up next week Learning focused

In Maths, we will be looking at time conversion.

In English, we will be finishing and editing our stories.

History – What impact did the Roman invasion have on us today?

Continue with reading 5 x a week.
Mathletics and TTRS

Way to support at home (home learning)
