

Diamond Class Newsletter

17.09.20

This week:

We were finally able to find a day when it was sunny and we were all in school for our class photo.

English:

We are now several chapters into reading Kensuki's Kingdom and the children are captivated by the exciting events of the story so far. We have worked collaboratively to storyboard the sequence of events and orally rehearsed them before we started on our writing task of a diary entry. We are constantly investigating adventurous vocabulary and the words of the week are from the text. This book can also be downloaded on Audible if wish to listen to it with your child.

Maths:

We have focussed on place value since we returned to school and this week we have been comparing and ordering four digit numbers. Some of us are now reasoning and problem solving about them too.

Words of the week:

Mellifluous

Impenetrable

Raucous

Reminders:

- Please check in on Google Classroom for regular updates and photos
- Mathsletics has been set and the children are expected to have the tasks completed by next Thursday
- We hope to send spellings home by next Friday
- Morning drop off is now at 9.00am at the front door- collection time remains the same.

Have a lovely weekend – Mrs Moncrieff
