Diamond Class Newsletter

Over the last two weeks we have been busy finishing off our project as well as performing our Christmas play. It has been wonderful to see so many of you at our various events and I hope you enjoyed seeing your children's learning and watching their excellent performances. Our orangutan campaign videos were particularly fun to make and watch!

Next term we will be beginning our new project focusing on the Egyptians. On Friday 5th January, please can your child dress up as an ancient Egyptian – more information to follow later today.

I hope you have a very Merry Christmas and a Happy New Year and I look forward to seeing you all in 2024!
