

Miss Tyler

Mrs Barry

We are excited to get back to school and we hope you are too! We just want to tell you about a few changes we have in school because of the virus Covid-19.

Emerald 8:45am Arrive – 3:00pm Pick up

Bubbles

Scientists say that we should keep our distance from other people so when we are at school we will be in classroom groups called bubbles!

We will be in a bubble with Topaz class so we can mix with the children and adults in that class, however please try to keep your distance from adults. We will be staying separate from other classes and adults in the school.
