

Emerald Class News

14th December 2018

Emerald Class Newsletter:

This week:

Our Emerald class have turned into little superstars with their wonderful Christmas performance. I am so incredibly proud of all the effort that the children have put into the show. I hope you all enjoyed their hard work. When they children weren't performing or practising for the big show, we have been continuing with our story writing, adding, our mental maths and geography. We have been investigating atlases and the children loved to find as many facts as they could about the world.

In Maths, the children have been practising their two times tables and their number bonds as well as understanding what the addition and equals signs represent.

In English, we have been recapping past tense and applying those spelling rules to our stories and letters to Santa.

Next Week:

On Tuesday, we shall be having our class Christmas party. Could children bring a party plate of snacks for them to enjoy in the afternoon.

Thank you.
