

Emerald Class News

14th September 2018

Welcome to Emerald Class Newsletter:

This week:

I would like to say a huge thank you to everybody who joined us for the 'meet the teacher' meeting. As I mentioned in the meeting, I am more than happy to meet to discuss any worries or questions you may have at any point. Alternatively, you can email me on amy.arrowsmith@sgmail.org.uk

This week, we have been finding missing numbers and ordering numbers in Maths. The children have been learning tricks to understand how to compare numbers and we will continue to reinforce this next week.

In English, we have been recapping our full stops and capital letters as well as adding 'and' and 'but' into our sentences. The children enjoyed writing about our 'Up' character, Carl.

We have also been developing our art skills, using different pencils to create different shaded effects.

our Wow Day

Next week:

We shall be continuing to look at place value, descriptions and mixing colours and computing.
