

Emerald News

This week we had an additional **PE** session on Adventurous Activities. We all enjoyed trying out the different activities, working successfully in small teams.

In **Maths** we have continued our learning on time, this week looking at converting between 12 and 24 hour clocks. In **English** we have been writing our own Stone Age instructions using time conjunctions and organisational features of non-fiction writing.

We have been very busy in **Art** producing our first mini outcome; How did they live? Printing and sewing skills have been put to the test but the outcomes are looking fantastic. We will share these with you next term.

In **History** we have been looking at Stone Age food and weapons used by hunter gatherers over the Palaeolithic, Mesolithic and Neolithic periods.

I hope you all have a lovely half term and enjoy the jubilee celebrations.

Mrs Grainger
