

Emerald News

Another fantastic week! We kicked off with our WOW day with Sea Shanty singers for the morning who taught us songs to movement and helped us make our signal flags to spell our names. We then watched Finding Nemo in the afternoon to help us with our learning for the term.

The children have been really trying hard to use capital letters and full stop in every sentence they write! Please encourage this with any writing at home.

We have started to make up our under the sea dance with moves the children have made up.

In maths we have securing our ordering, comparing numbers and the use of symbols to show greater than, less than and equal to ($<$ $>$ $=$). We have started our daily ten recalling our doubles to 5 quickly.

All reading books have been taken out of bookbags over the weekend to be sorted as we are lucky to have a small pot of money raised by AHS Friends to replace some of the tatty ones. Some of the books may need to be put back in boxes over the next few weeks whilst we purchase the new books.

Trip forms and flu forms are in book bags so please send them back in as soon as you can. Have a lovely weekend.

Miss Tyler 😊
