## **Emerald Class Newsletter:**

Since the beginning of Term 5:

Our Wow day was a great hit. The children were fantastic with an aerial map, carrying out ordinance surveys around the school. They showed excellent map reading skills and worked together as a team to crack the code!

This week, we have also been to multi-sports at KLB. The children were very excited and certainly did Alexander Hosea proud with their positive attitudes and perseverance. Thank you so much to the parents who joined us.
