

Emerald News

This week we wrote letters to Sam Sly who trapped the mermaid in our story 'The Singing Mermaid'! They thought about a question they could ask him too.

For our daily ten we have been focusing on doubles to 10 please help practise these at home so the children can improve their speed and knowledge.

We also looked in the 5 different oceans, we have different actions to try and help us to remember where they are on the map.

We rub ourselves like it is cold – Arctic Ocean

we move our hands round from front to back like the world as the Pacific Ocean is on both sides of the map but when you roll the map up like the world it comes together as one – Pacific ocean

We point downwards to the south – Southern Ocean

We make the shape of India with our fingers – Indian Ocean

For the Atlantic Ocean, we move our arm around in a circle as the ocean is surrounded by countries.

We have started our five a week reading challenge next week so if your child reads 5 times a week Friday to Friday then they will move their caterpillar name up the reading tree. If they are at the top of the tree at the end of the term they receive a reward. It can be any book at home online or being read to as long as it is written in their home record book it counts. Enjoy reading!!

Miss Tyler 😊
