

Emerald News

We had a wonderful time on the trip Monday at the Bristol Aquarium, the children learnt a lot and have written some fantastic recounts! Thank you to the helpers!

This week we have been using the method of finding the difference to take away using blocks or a number line. Perhaps you could ask how to find the difference.

We also performed our sea shanty songs in assembly this week and the children were amazing, I can't wait for you to see them perform!

There is a note in book bags about our **Pirate Day Monday 4th November**. We are going to have a Pirate Day as part of the children's economic awareness and the year of citizenship. The children can come dressed as a pirate and may bring a donation of £1 or more in support of the RNLI.

Journal share, dancing and singing: Thursday 7th November @ 2:30-3:15.

Christmas performance dates: Monday 9th December @2:00pm

Wednesday 11th December @10:00am

Have a lovely half term!!

Miss Tyler 😊
