

Emerald News

In Maths we have been learning about equivalent fractions and how we can represent tenths as decimals. The children have been enjoying using the fraction wall resources to help their understanding of this.

In English we have been planning and starting to write our instructions for how to look after a pet dragon. We are trying to show all the skills we have been learning within this writing as well as keep our handwriting and presentation beautiful.

On Tuesday it was e-safety day so we spent some time talking about personal information and what detail shouldn't be shared online. We played a guessing game trying to work out who was who from pieces of information. We noticed that some information was more general, such as favourite foods or colours, where as other information was specific and personal such as siblings and initials.

This week we have of course started our afternoon swimming lessons and the children have been brilliant. We are enjoying practicing the different strokes and building stamina for further distance in our group lessons over the week. I think tiredness is beginning to get to us all a little bit, thank goodness we've got the weekend to rest ready to go again next week!

Just a reminder - Our termly home learning is due in on Monday 14th ready to share on Tuesday morning in class.
