

Jet Class Newsletter

12.03.2021

We are so proud of how well the children have settled back into school life in Jet Class. It has been so lovely to see all their smiley faces back together and to hear the classroom full of laughter and chatter. The children have been so happy to see each other and have thrown themselves back into their learning. They are all super stars!

We have spent the first part of the week getting back into routines and have talked about about how we are feeling being back at school. The children enjoyed refreshing their memories of the ELLI powers story and have thought carefully about which ELLI power they are going to use this term in their learning.

The children have enjoyed some role play based on Brunel and his famous SS Great Britain ship which they performed in groups to the class. In English we have been applying our knowledge of expanded noun phrases and commas in lists to describe a view of the Clifton Suspension bridge.

In maths Jet class have been displaying their understanding of multiplication using a variety of methods including arrays, repeated addition and groups of objects along with their amazing knowledge of times table facts

Next week

English - using the stimulus 'The Windmill Farmer' mini film the children will writing a diary entry as the farmer describing his feelings.

Maths - Applying multiplication skills to solve challenges and word problems.

Science - exploring properties of materials.

DT - designing our own healthy biscuits.

Other News

Home learning

There will be no home learning set for the rest of this term. You have all had enough home learning over the last two months!!

Please continue supporting your child with reading 5 times a week and learning their weekly spellings.

One Step At A Time Walking Challenge

The One step at a time walking challenge begins on Monday. Everytime you go for a walk with your child, please record the distance and then log it on the link on the school website (opens on the 15th). Let's work together so Jet Class reach their target destination to the SS Great Britain!
