

## Jet Class Newsletter

10.05.2018

### What have we been learning?

You will be pleased to know that Jet Class have completed their SATS tests! The children have been amazing and worked so hard applying all their ELLI and diamond powers throughout the last two weeks. We are extremely proud of them all.

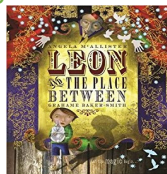

This week we have been using our imaginations to write character descriptions of Abdul Kazam the magician from our class text 'Leon and the place between.' We organised our ideas into sections using sub headings and tried really hard to use subordinating conjunctions to extend our sentences.

In Art we have been mounding and sculpting our miniature clay thumb cauldrons using tools and new techniques.

### Next Week

We are going to be planning and writing the beginning of our Imaginative stories based on Leon's adventure to the place between. We will be applying all the English and grammar skills we have been taught in Jet class to our stories.

### Important information

Please can you send all Puzzle wood trip letters back into school ASAP.

Please make sure your children has a water bottle and sun hat in school every day for terms 5 and 6.
