

Jet Class Newsletter

Thank you for all the fantastic research the children have carried out on a polar animal. The children have used the information in their mind maps to start writing their Fact Files this week. They have amazed us with their knowledge! The children have also been engaging in some creative poetry writing all about their chosen animal. In Maths we have been learning how to tell the time to 5 minute intervals past and to the hour. On Monday we had a very special visitor come into school for our assembly - Andy from Andy and the Odd Socks Band!! The surprise on the children's faces was wonderful to see - they all had a fantastic time!

Key dates coming up:

Sports Day - Wednesday 22nd May (AM only)

Last day of term - Friday 24th May

Coming up next week

In English we will be continuing with our Fact Files and poetry writing.
In Maths we be using our addition and subtraction skills to problem solve.
In History we will be interviewing each other in role as Ernest Shackleton. We will use the ipads to film our interviews.

Ways to support at home

Times Tables
Spellings
Reading x 5 a week
Please keep practising telling the time to 5 minute intervals on an analogue clock
