What have we been learning?

A big thank you for coming to our journal share this week. The children loved sharing their learning with you and enjoyed sharing their fruit and savory salads.

The children used lots of different skills to make their items including grating, chopping, slicing, juicing and peeling. They looked very yummy!

In English we have been planning our stories linked to our class text 'Farmer Clegg's Night Out', we have been learning the story verbally and putting actions to the words to help us remember the main events of the story. We have drawn our own detailed story maps and innovated our own character to perform in the talent show.

In Maths we have been applying our addition and subtraction skills to develop our understanding of money. We have been making amounts to pay for items in the shop and finding different combinations of coins to find a given amount.

Next Week

In English we are re telling the story 'Farmer Clegg's Night Out' adding in our own characters to perform in the talent show.

In Maths we will be adding two amounts of money (not crossing 10) to find a total and finding change using the skills of subtraction.

We are looking forward to performing our Christmas production 'Hey Ewe' for you all. We hope you enjoy it!

Important Dates

KS1 Christmas Performances

- Tuesday 5th December @ 9.30am
- Thursday 7th December @ 2pm

Friday 15th December - Children can wear their Christmas jumpers.

Friday 15th December - Christmas coffee morning.
