

Jet Class Newsletter

Well done Jets on a really busy, jam packed first two terms in Year 2! This week, the children presented an end of project assembly to the rest of Key Stage 1. They proudly talked about their amazing learning in History, talked about their day at St Augustine's Farm, performed some farmyard poetry, orally retold the story of Farmer Clegg's Night Out and showed off their wonderful David Hockney landscapes. Aswell as a visit from Santa, Christmas lunch, Christmas party and watching the Reception Nativity performance, the children really enjoyed making their fruit salads and sharing them with you at the journal share. Thank you all for coming.

Merry Christmas!

We hope you have a wonderful, festive, fun-filled time with your families.

**Thank you so much for your lovely presents to us all.
We are so grateful. We will look forward to welcoming the children back to school in January.**

Key dates coming up:

Start of Term 3: Tuesday 7th January 2025
