

## Jet Class Newsletter

We had a lovely day on Thursday marking World Book Day. We celebrated 'Reading for fun' with an assembly where the children paraded around showing off their costumes and a 'shared curl up and read' story time.

In English we have been writing character descriptions of 'Hom' using sub-ordinating conjunctions and noun phrases. They sound amazing!

In DT we have been exploring different ways of joining wheels and axels to create moved or fixed mechanisms.

### Coming up next week

In English the children will be planning an alternative scene for our class text, Hom.

In Maths we will be focusing on length.

In DT we will be planning our wind kart designs and beginning to construct our chassis frame.

### Ways to support at home

Spellings

Times tables

Reading x5 a week

Mathletics task:  
Capacity and Temperature

Key dates coming up:

Wednesday 25th March @ 10.45 - Jet Class Journal share followed by Parent/Grandparent Lunch

Parents evening - Tuesday 31<sup>st</sup> March & Wednesday 1<sup>st</sup> April
