What Have We Been Learning?

We all had a fantastic day on Friday at St Augustines Farm near Stroud. Farmer Dan was very interesting and shared lots of information about the animals on his farm. A particular highlight was feeding the chickens by hand and we were impressed with how brave the children were. The children were also able to feed the Gloucester Old Spot cows and we all particularly liked Hugo, the largest male pig.

Lunchtime is always a particular highlight on trips and the children enjoyed playing on all the toys and games in the Play Barn. The children were extremely respectful and well behaved throughout the whole day. Well done Jets!

This week, in English, we have written a diary entry for Friday, talking about everything we did at the farm. Real life experiences always produce better writing and the children did not disappoint!

In Science we have thought about what we have remembered about plants from Year 1. We have planned an investigation asking the question 'What do plants need to grow best?' and we will plant seeds next week to start finding out the answer.

Next Week	Home Learning
<p data-bbox="245 891 743 1039">We will be continuing with subtracting a 2 digit number from a 2 digit number</p> <p data-bbox="213 1099 775 1294">In English we will start a unit of work using 'Farmer Clegg's Big Night Out' by Peter Bentley as inspiration.</p>	<p data-bbox="815 891 1382 1294">We will be holding a talent show in class on Tuesday morning to inspire and immerse the children in our new class book 'Farmer Clegg's big Night Out'. Please support your child in practising their talent if they would like to perform.</p> <p data-bbox="815 1355 1382 1653">If your child has a speaking part in the play please keep practising their lines with them ready for our performance. We will be getting into the hall next week to start rehearsing.</p>
