

## Jet Class Newsletter

We had a super start to our week on Monday morning with our History walk around Wickwar. The children learnt all about the gas explosion in Wickwar, why our school houses are called the Brewers, Potters, Archers and Weavers and why our school is named after Alexander Hosea. The children were all extremely engaged and listened beautifully. They represented our school fantastically whilst out in the village and have received a certificate from Mr Feaster to say a huge well done! In English this week we have focused on our understanding of different word classes and in maths we have been portioning 2 digit numbers to consolidate our understanding of place value.
