

## Jet Class Newsletter

07.02.2020

### What have we been learning?

In English we have been writing our adventure for Iggy Peck Architect. We had to think carefully about the problem and resolution sections of our stories. We tried to use conjunction and adjectives and thought really hard about our handwriting and spelling. We think Iggy Peck would be very proud of our stories!!

In science we have been investigating the physical properties of materials in the classroom.

In Art/DT Ada Twist had made a mess with all the coloured wool and thread. We had to use the warm or cool colour wheels to sort the wool and thread.

We have started to create our loom weavings. It has been really tricky and some have got into a bit of a tangle but we have used our ELLI power of perseverance. They are beginning to really come together to create a flag for Iggy Peck to put on the island.

### Next Week

In maths, we will be moving onto looking at fractions. We will be looking at  $\frac{1}{2}$  and  $\frac{1}{4}$  of shapes and quantities.

To develop our speaking and listening skills we will be reciting the poem/rhyme 'London Bridge' in front of the class or in small groups. We will be thinking about speaking in a clear, loud voice, being aware of our audience and eye contact.

On the Thursday we will be having a wow afternoon. The children will be set the challenge of making their own bridge like Iggy Peck using different materials.

**Please send  
into school  
any  
cardboard**

### Home learning

This week the home learning is to learn the poem/rhyme London Bridge, ready for next week to perform in front of the class. Please get the children to practice saying the poem out loud at home. You could get them to stand at the top of the stairs so they project their voices.

You can use the link to help them remember the words.

On Wednesday 26<sup>th</sup> February we will be visiting the church. We will need volunteers to walk to the church. If you are available on the 26<sup>th</sup> in the morning, please let us know.

### Aspiration Week

Aspiration week starts 24<sup>th</sup> February  
We would love for you to come into school and talk to the children about your job. Please let us know if you available.
