

## Jet Class Newsletter

The children have started to plan an innovated scene of our class book, 'Leon and the Place Between', this week. They have spent lots of time sharing ideas, thinking of 'wow' vocabulary to use and orally rehearsing. We have been amazed at their imaginations and creativity! In Maths this week we have been learning about capacity and how we use millilitres and litres to measure liquid. In History we have been thinking about why we remember a local hero, Edward Jenner and the impact his work has had on life today. In ICT we have been learning about what makes a good photograph and ways in which we can improve a photograph.

Coming up next week	Ways to support at home
<p>In Maths we will be learning how to measure and read scales involving mass and temperature.</p> <p>In English we will be writing our innovated scenes for our class story 'Leon and the Place Between'.</p>	<p>Reading x 5 a week</p> <p>Mathletics task:</p> <p>Ordering volume</p>
