

Jet Class Newsletter

Wow what an amazing sports day we had!

The children were fantastic in all the track and field events and demonstrated excellent team spirit and sportsmanship.

The children have been busy completed a piece of cross curriculum writing in History, researching the life of Mother Theresa. They created informative fact sheets in small groups using writing, colourful headings and pictures.

In Maths we have been focusing on 5-minute intervals both past and to the hour.

Coming up next week

Ways to support at home

Have a lovely Half Term everyone!

Reading x5 a week

Multiplication revision

Mathletics task: Time
Please also support your child to tell the time to 5 minutes intervals over the half term.
